

CSCA Round 2 Supersprint

Pheasant Wood Circuit Saturday 17th June 2023

Dear Competitor,

You are invited to enter Round 2 of the 2022 CSCA Supersprint Series, hosted by MG Car Club Newcastle, to be run at Pheasant Wood Circuit on Saturday 17th June 2023.

Requirements for COVID-19. The event will be run according to Motorsport Australia "Return to Race" Strategy document which is available on Motorsport Australia website.

1. All attendees are expected to exercise physical distancing and hygiene practices as per current community health standards.
2. There will be no on-circuit document checking at the event. Motorsport Australia licences will be checked online. For confirmation of club membership, entrants need to email suitable evidence to the event secretary (such as a picture of their membership card) when entry is submitted.
3. Each driver is required to perform their own self-scrutiny of vehicle and apparel and submit a completed, signed 'Motorsport Australia Self-Scrutiny Checklist' and 'Statement of Vehicle Compliance' form, to the event secretary when entry is submitted. There will be an amount of Targeted Scrutiny throughout the day.
4. An electronic drivers briefing document will be issued to each entrant prior to the event. Further information will be given on the day using the public address speaker system.

Entry is via Motorsport Australia Event Entry, which is accessed via the Member Portal on the homepage of the Motorsport Australia website: <https://motorsport.org.au/>. If you are new to Motorsport Australia Event Entry and need guidance please consult your club CSCA delegate. If you are not a member of a CSCA club and need help, please call me.

Entries will be accepted as per Supp Regs Item 4. ALL information for your entry including your vehicle class and lap times to help place you in the appropriate running group comes from the MA Event entry system.

This information should be updated in 'Event Entry' under 'MY CARS' prior to placing your entry.

Confirmation of entry will be via 2 emails. The first will be notification of your entry. The second will confirm your competition number, running group, & grid position. The second email will be sent in the days leading to the event.

The preferred (& cheapest) payment method is via Direct Deposit.

Alternatively, payment can be made via Motorsport Australia Credit Card (Note! this method will incur card charges). See the Supplementary Regulations for the full payment details.

It is compulsory for all drivers to hold the appropriate current Motorsport Australia licence **AND** to be a financial member of a Motorsport Australia affiliated Club. Licences will be checked online. Club membership evidence such as an image of the entrant's membership card must be emailed to the event secretary at least 2 days prior to the event. Also, competition numbers will be available for sale at administration.

Note! All vehicles and apparel must comply with Standard Requirements for Supersprints, & each driver must submit a completed signed Self-Scrutiny Checklist to the event secretary at least 2 days prior to the event.

At Pheasant Wood, the timing system uses MyLaps transponders. If you have a Dorian provide your dorian number at entry and a MyLaps transponder will be provided free. Otherwise they must be hired at a cost of \$17

There are a limited number of carports available on a first come basis. We look forward to receiving your entry to this event!

Sincerely
Wayne Movigliatti

5. Minimum Licences:

Current Motorsport Australia Speed or Junior Speed Licence. This will be checked online before the event. PLUS a current *club membership card of a Motorsport Australia-affiliated Car Club* is compulsory and evidence must be provided to the Event Secretary at time of entry.

6. Drivers Safety:

Drivers must wear apparel which complies with Schedule D of the Current Motorsport Australia Manual.

(a) All drivers shall wear helmets which comply with AS1698 or better and carries marking to that effect, or otherwise approved by Motorsport Australia (see Schedule D of the General Requirements for Cars and Drivers, in the current Motorsport Australia Manual). Helmets must be in good condition with no visible signs of damage.

(b) Frontal Head Restraints (FHR) must be used in accordance with Schedule D Table 1.4 of the Motorsport Australia Manual, which can be found on the Motorsport Australia website at [https:// motorsport.org.au/regulations/manual/general-requirements](https://motorsport.org.au/regulations/manual/general-requirements).

(c) Non-flammable Clothing must be worn that extends from ankles to neck to wrist. Clothing of flammable synthetic material such as nylon is not acceptable. The onus will be on the competitor to prove that older overalls/suits still have fire-resistant properties and are not impregnated with oil or fuel.

(d) Flame retardant underwear and socks are not mandatory, however they are recommended. A flame-retardant balaclava is not mandatory however it is recommended.

(e) Shoes compliant with FIA8856-2000, or shoes which completely cover the feet, made entirely of leather or other flame-resistant material, must be worn. Shoes which have a leather upper, but which includes elasticised ankle regions are acceptable. Shoes that contain any synthetic materials, such as nylon, are not acceptable.

(f) Gloves are not mandatory for closed vehicles, however the use of FIA- standard flame-retardant gloves is strongly recommended.

(g) For a driver of an open car, a full-face helmet is highly recommended. Goggles, or a visor with a lens material other than glass (i.e. to AS1609- 1981) are mandatory, as are leather or Nomex gloves which entirely cover hands.

7. Vehicle Categories & Classes:

[as on the attachment located at the bottom of this document marked "2021 CSCA CLASS TABLE"](#)

Rotary and forced induction engines are subject to capacity multipliers as follows:

Rotaries – multiply by 1.8
Forced Induction – multiply by 1.7
Forced Induction Rotaries – multiply by 3.06

Note: The Organisers may re-classify any vehicle if they believe it is not eligible for the class in which it has been entered.

8. Scrutiny Requirements

a) All vehicles are to be available for random scrutiny and must comply with Technical Appendix Schedule A & B of the Motorsport Australia General Requirements for Automobiles (as specific in the current Motorsport Australia Manual), including:

- A fire extinguisher to Motorsport Australia requirements and fitted within reach of the driver.
- A blue triangle, 150mm on each side, mounted to indicate the battery location.
- A secondary method of securing the bonnet. **Note!** Road Registered cars fitted with the original manufacturers 2 stage bonnet fastening system are considered to have two securing systems.
- All forward facing glass lenses to be completely covered by a protective film.
- All loose objects are to be removed from the car.
- The battery is to be firmly clamped.
- Vehicles that have been issued with a Motorsport Australia Log Book must present the Log Book at Registration and Scrutiny.

b) **Competition numbers are to be positioned on both doors of the vehicle and of a height no less than 28 centimetres and must be clearly legible to the Timekeeper / flag marshals / all officials around the track and be of a contrasting colour to the surrounding bodywork. Numbers must not be on glass. Dual entry numbers must be shown to the Scrutineer. Self-adhesive numbers will be available for purchase on the day at documentation. Cost is \$2.50 each. Refer Schedule K of the current Motorsport Australia manual.**

c) Drivers and vehicles must be presented in a clean and tidy manner, completely ready for the track, including the driver's apparel and helmet. Any tyre or component changes to the vehicle after scrutiny must be approved by the Chief Scrutineer before the vehicle is taken onto the track.

d) Any vehicle found to be leaking oil or fluids whilst competing, will be suspended from the event until the Chief Scrutineer / Clerk of Course is satisfied that action has been taken to rectify the leak. Should there be a re-occurrence of the leak, then the vehicle will be excluded from the remainder of the event.

e) All vehicles must be fitted with towing eyes/points, or a similar device on both front & rear, to allow for the speedy removal of a vehicle from a 'sand trap', or removal from the circuit in the case of a mechanical failure.

f) **All video cameras, data loggers & other electronic devices must be securely fixed to the vehicle in accordance with the manufacturer's instructions. Where suction cups/magnet mounts are used, a secondary tether sufficiently strong enough to prevent the item moving within the vehicle, must be used.**

g) Fuel must be in accordance with Schedule G of the current Motorsport Australia Manual.

9. Noise:

Maximum Noise Limit: **95 dba** at 30 metres.

Any car found to exceed the maximum noise emission limit will be suspended from the event, until the Chief Scrutineer / Clerk of Course is satisfied that action has been taken to bring it within the limit. Any vehicle that exceeds the limit on two runs will be excluded from the remainder of the event. If a vehicle exceeds the noise limit on any lap or laps within a run, then only those laps in which the vehicle conformed to the requirements will be allowed for the purpose of the results.

10. 10 Pre-Event Scrutineering

There will be no on-circuit routine vehicle scrutiny. Each driver is required to perform their own self- scrutiny of vehicle and apparel and submit a completed, signed Motorsport Australia Self- Scrutiny Checklist and Statement of Vehicle Compliance to the event secretary via electronic means at least 2 days before the event. A blank form is available from Event Entry. Spot Checking will be occurring through the day.

11. Drivers' Briefing

An electronic drivers briefing document will be issued to each entrant prior to the event. Further information will be given on the day using the public address speaker system to avoid gathering of people for health. Driver sign-on sheet will not be used at this event.

12. **Event Schedule:** Start time: **9.00 am** Finish time: **4.30 pm**

13. Replacement Vehicles:

At the sole discretion of the Clerk of the Course, a Driver whose vehicle has broken down may use a replacement vehicle. The replacement vehicle must have been scrutineered, and preferably be in the same class and type as the original vehicle. Where the original vehicle has recorded a time, and the scrutineered replacement is not in the same class and type as the original vehicle, the replacement vehicle will not be eligible for prizes and/or trophies.

14. Timing Equipment and Accuracy:

Timing will be by MyLaps timing and to an accuracy of 0.01 seconds. Each competitor MUST have an operational Mylaps transponder unit.

15. Results:

A set of results will be available to all competitors within 5 days of the event. Results will be available on the [Natsoft](#) website.

16. **Prizes/Awards:** Trophies will be awarded as per [CSCA guidelines](#).

17. **Authority of Officials:** Any Driver not following a reasonable instruction by an official during the Event may be excluded at the discretion of the Stewards of the Event.
