MINIS ON SAFARI

Join our Minis on Safari adventure for another amazing 6-day Mini journey in your Classic Mini or

your MINI as we take in the Autumn sights on a road trip from Sydney to Dubbo Zoo and return.

More details about the route, accommodation and itinerary will be provided to interested members.

The route has been calculated to limit each day's travel to around 200+km or 2-3 hours driving with

the round trip from Sydney to be approx. 1500km. Overnight stops are in Hunter Valley, Gulgong,

Dubbo, Parkes and Lithgow. During the day we will take in the views and tourist sites.

Estimated cost for our adventure for two people with 5 night's accommodation, fuel and meals is

approx. \$1500.

We have booked accommodation at each of the motels and will need to confirm these room bookings for each participant in January 2025.

Note: We will pass on your name and contact details to each Motel so they can pre-fill the reservation forms. Each participant will then be required to contact each motel to provide their credit card details for any deposits and payments.

It is highly desirable that everyone has Road-side service membership and their Mini serviced and ready for the trip.

If you have any questions, please do not hesitate to contact Rob or Michael.
